Mx350i-DTP

Mx350i-DTP is the perfect choice for printing labels when hand application is most convinient for your production line. Using the very same printer, it is easily integrated alongside other **Mx-Series** models as a complement or as a backup. Ideal for producing case, carton, tray or pallet labels, the **Mx350i-DTP** is reliable and robust with same connectivity options and easy-to-use interface as in the rest of the Domino Print & Apply range.

Easy to integrate

◆ The **Mx-Series** advanced connectivity options allow for seamless integration with ERP, WMS, and MES systems in your factory.

◆ Seamless integration with all **Mx-Series** models used for automatic label application.

Easy to use

◆ The user-friendly integrated UI and optional remote 10-inch touchscreen make the **Mx350i-DTP** very easy to operate.

◆ The robust design and clever functionality minimises the time needed for media changes and maintenance, so you can maximise your production uptime.
